

How to Make a Frog Pop-up Card

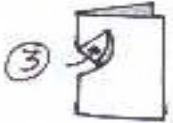

To make a Frog Pop-up card you will need a pair of scissors, an 8 1/2" x 11" piece of paper, a ruler, a pencil, and crayons or markers.

1. Fold your paper in half lengthwise and cut along the fold line. Fold both in half again. Set one piece aside.

2. Mark a dot 1 3/4" and 4 1/2" from the bottom on the folded edge. Draw a curved line from the lower dot up toward the upper right-hand corner. It should be about 2" from the right side of the card and 3" from the bottom. Cut along this line.

3. Fold the flap up. Then unfold.

4. Open your card slightly and push the flap to the inside of the card.

5. On the outside of your card make two cuts as shown in picture.

6. Fold each of these two new flaps up and then back into position. Open your card slightly and push the eye flaps to the inside.

7. Open your card completely and draw a frog using the lines you have cut and folded as guides for the mouth and eyes.

8. Apply glue to the back of your paper and glue it to the paper you set aside. Add whatever message you like and you have a pop-up frog card!
